STAUNCH Mobile Oil Pump Kit

This oil pump features special smart design engineering for silky smooth operation that reduces wear and tear on the internal workings to extend pump life.

This Mobile Oil Pump Kit makes oil projects easier to complete. Durable, portable unit comes complete with digital oil control valve and meter. The sturdy cart can support up to 60 kg drum and includes reel with a 1/2in. x 50ft. hose. Suitable for dispensing oil at medium/high viscosity for mobile installations and fixed system at medium distances. Works on any size drum with a 2in. bung adapter. Regulator not included.
