

STAUNCH
MACHINERY
SINCE 1979

STAUNCH Air Conditioner AC500

1. Bigger & mute rear castors
2. Side-placed oil bottles & hand valves
3. Upper vacuum pump
4. Easy-mounting / demounting side-cover
5. Leakage test under negative pressure
6. Self-test function
7. Full automatic
8. Four pressure gauges
9. Support English / Russian/ Polish

Technical Data

Model	AC500
Power supply	220V/50HZ/1PH
Max. working pressure	17.5Bar
Low pressure protection	Less than 1 bar
Electronic scale precision(Recharge)	5G
Compressor	280W(3/8HP)
Pag Oil Bottle Capacity	300ml
Operating Temperature	5-50°C
Capacity of Refrigerant Tank	10KG
Recovery Speed	180~350g/min.
Recharge Speed	800~1500g/min.
Vacuum Speed	60L/min
Electronic scale precision (Recharge)	±5g
Size(mm)	L680 x W560 x H1145
N.W./G.W.	76/92KG
